## For Immediate Release

**ORGANIZATION** to Host **EVENT** During National Safe Boating Week

**CITY, STATE (DATE)** – **ORGANIZATION** is proud to sponsor **EVENT** to help promote National Safe Boating Week, May 22-28, the official launch of the 2021 Safe Boating Campaign. This yearlong campaign promotes the value of voluntary, consistent life jacket wear by recreational boaters.

**EVENT DETAILS, INCLUDING TIME, LOCATION AND ACTIVITIES OF PUBLIC INTEREST. “QUOTE FROM AN ORGANIZATION OFFICER OR OTHER PROMINENT SUPPORTER.”**

U.S. Coast Guard statistics show that drowning was the reported cause of death in four out of every five recreational boating fatalities in 2019, and that 86 percent of those who drowned were not wearing life jackets.

New life jackets are much more comfortable, lightweight and stylish than the bulky orange style most boaters know. There are innovative options, such as inflatable life jackets, allowing mobility and flexibility for activities like boating, fishing, paddling or hunting, and are much cooler in the warmer weather.
